O R D E R

On April 5, 1984, South Central Bell Telephone Company ("South Central Bell"), by counsel, filed its Objections to Information and Data Request of Kentucky Cable Television Association, Inc., ("KCTA") (served March 21, 1984). Among other things, the Objections state that the Data Request is an attempt by KCTA to re-try the methodology issues decided by the

Commission in Administrative Case No. 251 rather than to discuss the implementation of that Order.

The Commission, having considered the Objections and being advised, is of the opinion and finds that, while the hearing scheduled June 26, 1984, is not for the purpose of re-examining the basic methodology established in Administrative Case No. 251, the Commission, in these proceedings, will consider the application of the methodology in the tariffs which are the subject of the complaints.

IT IS THEREFORE ORDERED That the Objections be and they hereby are denied, and South Central Bell be and it hereby is directed to respond to the Information and Data Request of KCTA.

Done at Frankfort, Kentucky, this 5th day of June, 1984.
